## to the Centre of English Studies (CES) brochure

You are about to choose an English language course which will affect your future plans and job prospects, so the course you choose will need to be appropriate to you and of the highest standard. CES is an award winning English language school in Europe and a market leader operating to the highest industry standards. We are able to offer you the course that is most suitable to your needs and requirements.

CES has over 30 years' experience in English language training and we have earned an international reputation for the care and attention that each of our students receives. During your stay, we will ensure that you receive the highest level of quality teaching and service. Our motto is: Care - Excellence - Success

CES operates three year-round schools in Dublin, London and Worthing on the south coast of England. We also have an exclusive summer residential centre in Oriel College, Oxford. During the summer months we operate International Junior Summer Schools both in Ireland and the UK.

The combined academic, administrative skills and experience of our staff in Ireland and England mean CES has a wealth of experience delivering the English courses to suit your exact requirements. Their experience and dedication will ensure that you will be carefully guided through your courses and given help and advice on areas you need to concentrate on. A CES staff member will always be available to answer any questions that you might have during your stay with us.

CES can provide various accommodation options. We have a large panel of homestay accommodation, chosen for the warm welcome that students receive. We also offer self-catering accommodation, hotel and guesthouse year-round.

Our aim is to give you the best possible course and help you to improve your language accuracy and fluency, allowing you to meet your future goals and targets.

*We look forward to welcoming you to a CES school.*

As Managing Director of CES, it gives me great pleasure to introduce our brochure to you. This brochure gives you information on our centres in Dublin, Wimbledon, Worthing and Oxford. Over the last 30 years CES has taught thousands of students from over 55 countries to learn or improve their English. We look forward to helping you achieve your English language goals.

# welcome to **England**

**England** is a diverse country of history and culture. Everyone knows something about England; its famous royal family, footballers and its pop stars or tourist sights such as Big Ben and the British Museum. Just think of the well known images of black taxis and red double decker buses, the works of Shakespeare and the prehistoric stone circles such as Stonehenge, and this is only the start.

It is a land of contrasts - from exciting, cosmopolitan cities like London and Manchester to picturesque villages in the Cotswolds and Cornwall. There are also great areas of natural beauty such as the Lake District, and cities of learning and culture, like Oxford and Cambridge. For food and drink, enjoy a delicious afternoon tea or strawberries and cream or a pint of beer in the local pub, or why not try traditional fish and chips or a chicken tikka masala.

The English also love their sport, especially football, rugby and that most English of all sports - cricket - which only an Englishman can understand! Then, of course, you could join the queue for the world's most loved and famous tournament of all - Wimbledon, the location of our London school.

During your stay at CES we have a varied and exciting social and activity programme that will not only allow you to mix with other students but you will get the opportunity to explore the wonderful city of London, learn about England, its people and most importantly the English language.

## welcome to Worthing

**Worthing** is an attractive seaside town of 100,000 people on England's South Coast. It's located only 10 minutes from Brighton and 1 hour and 15 minutes from the centre of London by train. Its famous 8km long promenade provides a wonderful place to walk in the afternoon or evening and there are many other attractions near the pier as well. There is also a large indoor swimming pool close by. However, many visitors prefer to swim in the clear, clean sea which the English Royal family have used for relaxation over the centuries.

The Victorian architecture that stretches the length of the promenade gives Worthing its dignified feel. The town centre is full of shops, cafes, restaurants, high street stores and a wide range of leisure and sporting activities, yet it is a place where people have time to talk and it is easy to feel at home here and make new friends.

Worthing is also very close to Chichester, which is famous for its Roman walls and cathedral. Arundel is well known

for its amazing castle dating back to the 11th Century and of course its cathedral. The castle is the home of the Duke of Norfolk and both are well worth a visit.

All along the south coast there are many beautiful and famous places to visit, all within an hour of Worthing town itself. Worthing is also located beside the famous South Downs. This area has been designated an area of natural beauty and is of historic significance. There are many famous landmarks on the Downs, including the famous chalk carved figure "The Long Man of Wilmington".

The town of Worthing is well known - Oscar Wilde wrote his classic play "The Importance of being Ernest" there in the summer of 1894. All in all, the town has an atmosphere of relaxation and of an unhurried lifestyle. We are the only British Council Accredited school in Worthing.

## Worthing School

### Location

The school is located in three large Victorian buildings just a short walk from the town centre and seaside. The main train station, shops, restaurants and cultural attractions are all just a short stroll from the school.

### Facilities

The school has 13 bright, comfortable classrooms, a large student common room with plenty of room to relax. Our multimedia centre has the most up-to-date technology and software with free broadband internet access, WiFi and personal laptop access points. There is a students lounge with widescreen TV, table tennis and three gardens. Outside class hours, you can study privately in the self-access library and use the free internet café to send and receive e-mail and browse the Internet free of charge. A teacher is available to help with your self study and to help you select appropriate materials including books and CD's. During peak times classes can be held at additional premises.

### Social Programme

CES runs a wide and varied Social and Cultural Programme throughout the year so not only will you learn English but you will also learn about England, its culture and its people.

### Advice

Our academic team is here to help and guide you for the duration of your stay with us. Our Director of Studies is available if you have any learning worries or need any study advice.
