- 16 well-equipped classrooms
- 15 computers with free Internet access
- Free WiFi
- Interactive whiteboards in all classrooms
- Private 4K cinema
- Study room with self-access resources
- Orangery style café
- Large garden
- Student lounge

a friendly town

Anglolang is located in the traditional seaside resort of Scarborough on the beautiful North Yorkshire coast.

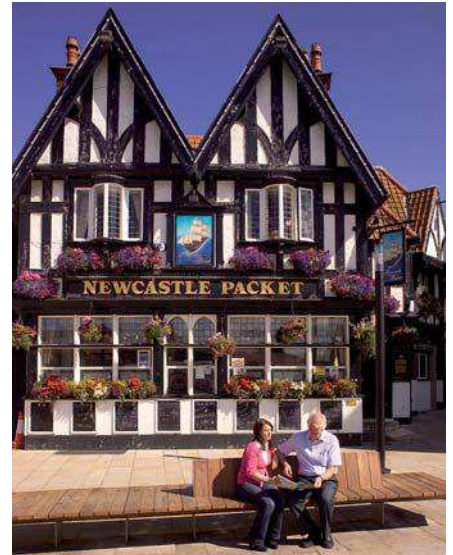

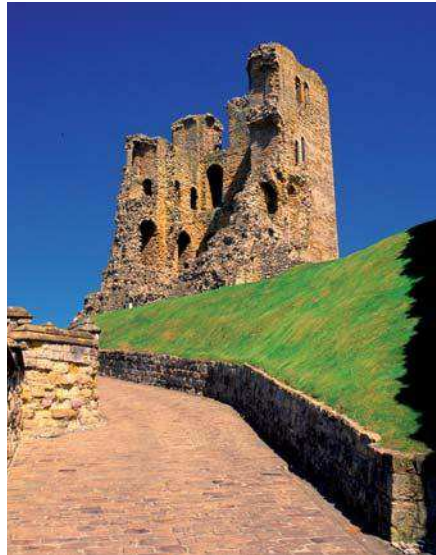

Scarborough has been the destination of choice for tourists since the 17th Century. It is the largest holiday resort on the Yorkshire coast, where a warm welcome meets every visitor. It has everything that is expected of an established seaside town which is rich in history, culture and charm, plus breathtaking countryside, offering peace and relaxation.

Local annual festivals provide excellent opportunities for international visitors to make English friends easily. These include Seafest, International Jazz, Scarborough Fayre, Scarborough Surf Festival and the Cricket festival.

convenient location

Anglolang is a ten minute walk from the beach and the town centre.

Scarborough is centrally located between London and Edinburgh, providing a good base for UK travel.

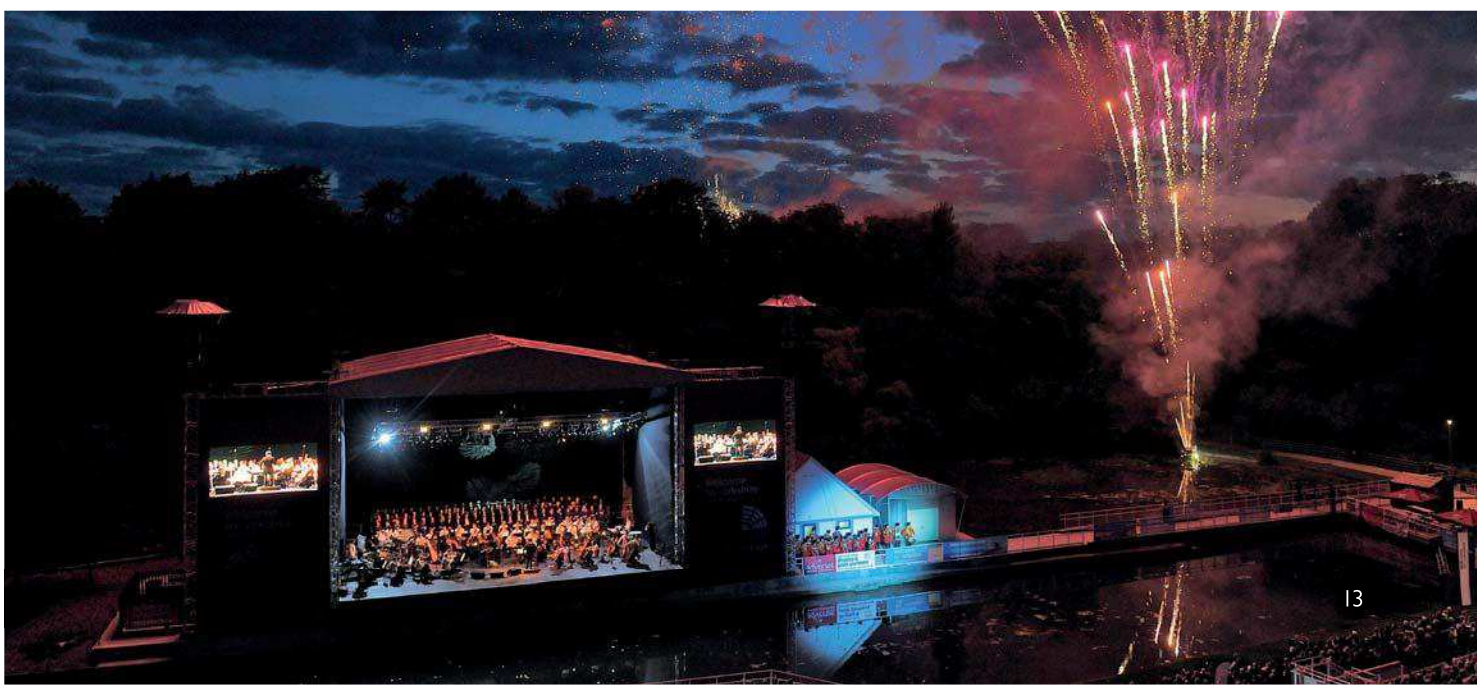

great choice

Scarborough provides a wide range of entertainment for people of all ages, such as the Sea Life Centre, Scarborough Art Gallery, the Open Air Theatre and the unique Spa Complex. The two main beaches provide a great source of enjoyment - the South Bay, with its fishing harbour, marina, cafes, and amusement arcades; the North Bay with its watersports and scenic parks. Both bays are separated by the magnificent medieval Scarborough Castle.

lively nightlife

With many traditional Yorkshire pubs offering live music, two cinemas, several theatres staging concerts, ballets and summer shows, a casino and a wide range of restaurants and bars, it is easy to find something to do during the evenings. Scarborough is also home to the famous Stephen Joseph Theatre which hosts original plays by resident playwright Sir Alan Ayckbourn, before reaching London's West End.

The resort also provides a great choice of high street shops and boutiques, as well as an indoor shopping centre. The pedestrianised town centre also boasts inviting cafes and bars.

motivating methodology

Anglolang has a modern, communicative approach to teaching. All classrooms are well-equipped, with interactive whiteboards. Teachers are able to use up-to-date, authentic resources from the Internet as well as digital English language course books.

flexible course structure

Anglolang's teachers consult their students and tailor lessons to meet their interests and needs. This is known as the 'negotiated syllabus' giving students flexibility and choice.

topic-based lessons

Lessons are based around topics, such as work, travel or current affairs.

skills

Teachers also focus on developing speaking, listening, reading and writing skills. Speaking, for example, is improved through discussion, role-play, mini-presentations and pronunciation activities.

grammar

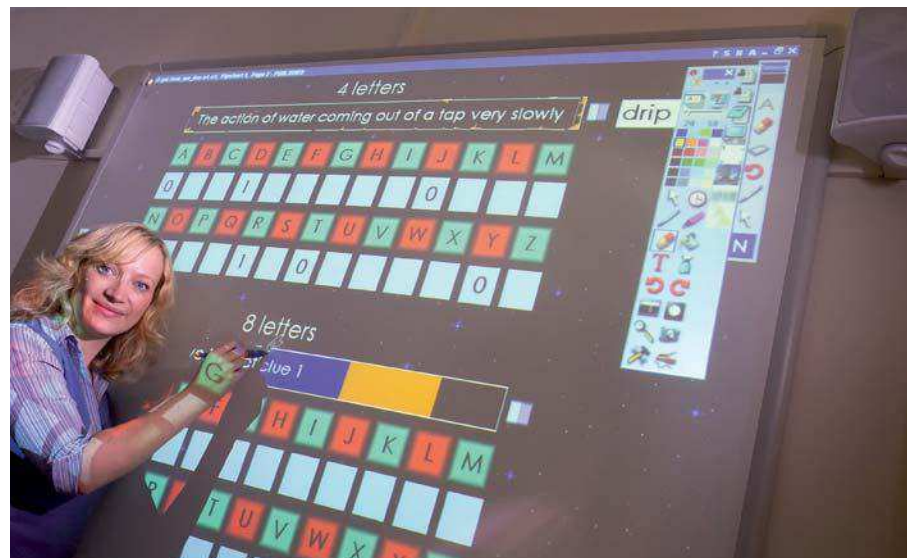

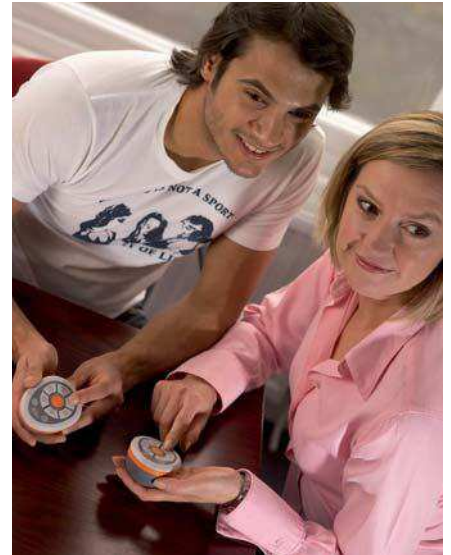

Grammatical structures are introduced and reviewed according to the needs of students when negotiating the syllabus.

vocabulary development

Vocabulary is a very important part of all lessons at Anglolang. Teachers give advice on how to effectively record, learn and activate vocabulary.

class sizes

Although the maximum class size is 15 students for most courses, during the non-Summer months (from September to mid-June), the average class size is 8 students.

communicate with confidence

Communicative teaching methods are used to develop the skills needed to communicate in English with confidence. As well as increasing confidence when using English, teachers also focus on increasing fluency and accuracy.
