7 Social Programme

The social life you experience as a student at English in Margate is very important to us. Taking part in the additional activities that we provide and recommend while you study allows you to put into practice what you learn and take your English to a new level, while having fun and creating lasting friendships with your fellow classmates. Our unique social programme has something for everyone, whether you want to learn more about British history and culture, visit famous places of interest, or just relax with your friends.

The basic social programme for a week consists of two main elements, the Hawley Club evenings and excursions to destinations close by and further afield.

Evenings at English in Margate: We are very lucky to have our own Café / bar within our school building – our Hawley Club. This gives our students the opportunity to meet and socialise in a friendly and welcoming atmosphere, making it easy to get to know others and make new friends. Apart from being able to relax in a comfortable setting while having some snacks and beverages, we have a small pool table and wi-fi of course. Our students come to the Hawley Club in the evenings to welcome new students, or say goodbye to those leaving, listen to a cultural talk given by a teacher or, for example a local historian or businessperson. We have regular international food evenings too and the club is a good meeting -place for students going into town for the evening, maybe to the cinema, Morgan’s Dance Rooms or to a local restaurant.

Since our homestays are generally within a very short distance from the school and the town centre, you can take full advantage of our Club and the activities we organise. The club is open two or three evenings per week between 19:45 and 21:45 and we offer a variety of activities for you to enjoy including casino nights, film evenings, cultural talks and more. On Tuesdays and Wednesdays, we organise Cinema Evenings, Pub Trips and Salsa Dancing.

Our Monday night Welcome Evening is an excellent opportunity for new and existing students to meet and get to know each other in a fun and memorable atmosphere.

We offer cultural visits to suit all tastes and all these activities can be found on our website. At English in Margate we believe that taking part in the social activities will provide you with a full, enriching and memorable experience.

Excursion Package £20 per week (for stays of two weeks or more) when requested at time of booking
