

MADRID

DE MADRID AL CIELO

ABOUT MADRID

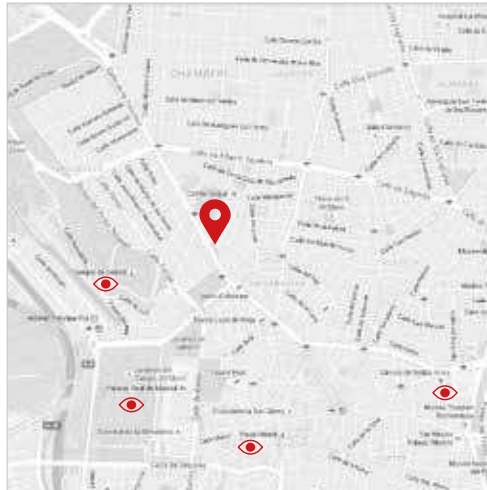

Madrid's broad stroke of architectural history provides a glorious backdrop to city life, from medieval mansions and royal palaces to the delicate angles of Spanish contemporary architecture, from the Baroque to the extravagance of the Belle Époque. Put simply, this is one beautiful city.

Few cities boast an artistic pedigree quite as pure as Madrid's: many art lovers return here again and again. From local talents such as Goya and Velázquez to Flemish and Italian artists. Masterpieces by these and other Spanish painters such as Picasso, Dalí and Miró can always be visited in one of the city's world-class galleries.

OUR COLLEGE

Our school in Madrid is a recently renovated historic building providing the most modern amenities. It is located next to the historic Liria Palace and a beloved green island in the heart of Spain's capital city. On foot, the school is 5 minutes from the "Plaza de España" and "Gran Vía", one of the main arteries of the city. Our 38 bright and airy classrooms provide for inspirational learning. The college's common areas offer a comfortable environment where students can socialize and relax in

between classes and activities. All learning will take place with proven digital and educational materials that ensure academic success. A personalized language level assessment will be held the first day of class. Access to our don Quijote Online School will be provided before arrival for a pre-language program.

WHAT I LOVE ABOUT MADRID

"Studying abroad changed my life forever. I came back as a changed person, with a new outlook on life, speaking the language with ease. Madrid is one of the most open cities on earth and it doesn't matter where you're from. It will fill heart and soul with wonderful memories."
