Course Details

Our CLIL course is intended for non-native teachers of other subjects who wish to develop their own English language skills and examine the methodology of CLIL - Content and Language Integrated Learning. This course provides opportunities for teachers to discuss and share ideas with colleagues from Europe and beyond.

CES has been very involved in developing and delivering further development courses through the Comenius, Grundtvig, CIEP and Saxony-Anhalt programmes. Courses at CES are eligible for Erasmus+ funding under Key Action 1.
