General English 2022

Our most popular course, covering all language skills

Engaging lessons that focus on communication

Classes at different levels; move up to a higher level as you progress

Our General English course is designed to give you a solid foundation in English and develop your ability to communicate. You'll study speaking, listening, reading and writing skills, plus grammar, vocabulary and pronunciation. Topics change every week, following our specially designed syllabus. This means you can start your course any week.

Classes are energetic, interactive and communicative – they build your confidence and prepare you for communication in the real English-speaking world. You'll find our teaching is very creative. We don't follow a coursebook but instead use a wide range of resources, from study materials to authentic texts and audio/video from the Internet. You'll develop your English through a variety of classroom activities, such as role plays, discussions, fun challenges, storytelling, pair work and group work.

We look forward to meeting you and to making a real difference to your English!

First Day Welcome & Placement Test

Our friendly team are ready to give you a warm welcome on your first day. We begin the day with coffee, biscuits and a chat, to help everyone get to know each other and feel at home.

This is followed by a grammar test and a short speaking test to find out your level. During the speaking test, we take the opportunity to learn more about you - your aims, your specific learning needs and your reasons for studying English. After a welcome talk and a tour of the school and city centre, we introduce you to your teacher, who takes you to class.

Changing Levels

Our teachers work together to monitor your progress and make sure you are receiving tuition at the right level. We can change your level any week, when you and your teachers agree you are ready.

General English Plus (22.5 hours)

If you choose General English Plus, you'll get an extra afternoon lesson every day (see timetable). Afternoon classes are either General English or specialist modules that focus on a particular language area. Some may require a minimum English level. These modules include:

- **Pronunciation**
- **Business English 1: Job Hunting**
- **Business English 2: Communication Skills**
- **Writing**
- **Grammar**
- **Spelling & Writing for Arabic Speakers**
