

PROGRAMME DESCRIPTION

Title: English Language Training and Irish Culture 2023

Duration: 60 hours

Preparation: Course participants will fill in a comprehensive enrolment form and their level of English will be assessed prior to the start of the course.

Objective: This course will enable education providers to refresh their English Language skills and to give them an in-depth knowledge of many aspects of Irish culture and Irish daily life. This will empower participants to communicate effectively in English and revitalise classroom activities by applying this knowledge to their classes.

Methodology: The task-based language training sessions are designed to actively develop the fluency and accuracy of the course participants.
